Limited Review Report on unaudited quarterly financial results of Goa Carbon Limited pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015

To,
Board of Directors of
Goa Carbon Limited

We have reviewed the accompanying Statement of unaudited financial results of Goa Carbon Limited for the quarter ended 30 June 2021 ("the Statement").

This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Attention is drawn to the fact that the figures for the 3 months ended 31 March 2021 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit

Limited Review Report on unaudited quarterly financial results of Goa Carbon Limited pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 (Continued)

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

We draw your attention to Note 04 to these financial results, which describes the Management's assessment of the impact of COVID -19 pandemic on the significant uncertainties involved in developing some of the estimates involved in preparation of the financial results including but not limited to its assessment of liquidity and going concern, recoverable values of its property, plant and equipment and the net realisable values of other assets. Based on information available as of this date, Management believes that no further adjustments are required to the financial results. However, in view of the highly uncertain economic environment, a definitive assessment of the impact is highly dependent upon circumstances as they evolve in future and the actual results may differ from those estimated as at the date of approval of these financial results.

Our conclusion is not modified in respect of this matter.
